Dear Glen,

I just wanted to take a moment to extend a hearty "Thank You!!" for sponsoring our recent tour of the Thomas C-2 school bus manufacturing plant in High Point, North Carolina. The trip was a resounding informational success and it provided a rare opportunity for our Deputy Superintendent for School Operations to see and experience firsthand, exactly how Thomas buses are constructed. His comment was "wow they are really built to the highest construction and safety standards and that's a really strong body".

Additionally, I want to personally thank you and Lori, Bob Dolan, Steve Johnson of Thomas Built Buses, and the outstanding team of the Matthews Buses Florida organization for your support, and professional customer service. Matthews Buses Florida is the prime example of a committed business organization whose pride, extensive knowledge, dedication, and seasoned professionalism is evident in every aspect of daily customer relations, and the impeccable service you provide to your customers.

Thank you Glen and Matthews Buses Florida! You truly do help make the difference in Osceola each and every day.
